Small school. Big expectations

Mrs Hartley's Corner

A very warm welcome back! I hope you have had a wonderful summer, made the most of the glorious sunshine and created lots of memories! We now have a big world map in our corridor and will soon be filling it up with all of the exciting places our children have visited!

Our children have settled into their new classes extremely well and feedback from their teachers has been fantastic.

We have had such a busy summer creating lots of new and exciting plans for our wonderful school! We have a new school menu that will be trailed and I will also be sending out a parents feedback form too.

We have a lovely new Library, created with the funds raised from our 'Coins for Mrs Coyne' week. I'm sure you will agree that it looks amazing and the children are loving using it!

Our Computing curriculum has been completely updated and lots of new resources purchased and I'm sure all the children will love all of the new activities we have planned!

The junior children have had their first Sports lesson with James, our new coach. They all really enjoyed it!

I am delighted to announce that we have our very own school Twitter account! Please follow us @ClarendonSchool

We have some new and exciting after school enrichment clubs and we are looking into holding lots of enrichment days too!

I would also like to take this opportunity to welcome Miss E Bagnall and Miss L Bagnall to the school. Miss L Bagnall has begun her management training and has lots of wonderful ideas for developing our school profile.

All the staff are really looking forward to the excellent year ahead!

Mrs Hartley

September 2018
